**Value \$290.00**

### Description

Lot 14 Donated by: Tru Bilt Trailers Gen Y Hitch GH-323 Value \$290.00 This unique mount from Gen-Y Hitch includes a ball mount that can be easily positioned in one of the 3 stacked receivers that sits along the vertical shank of the unit. This dual-ball mount lets you tow a trailer with a 2" ball coupler or a 2-5/16" ball coupler. Also included is a pintle lock, which can be inserted into the receiver directly above the ball mount to create a pintle hitch for hooking up a trailer with a lunette ring. Unlike other adjustable pintle hooks on the market, there are no nuts and bolts to remove and

retorque when you change the positioning of this hitch. Just move the ball mount and pintle lock up or down to get the proper height and secure them in place with the included pins. With the 3 stacked receivers, not only do you have the ability to adjust the height of the included ball mount, but you also have the ability to add various other hitch-mounted accessories. Insert a bike rack or cargo carrier. Mount a spare tire carrier. Use a tow bar to flat tow your vehicle. Or just add a fun hitch cover. 2" shank, 5" Drop/Rise Maximum, 10,000 LB Towing Capacity, 1,500 LB Tongue Weight, Drop/Raise Range: 5" to 7 1/2", Versa Ball: 2" and 2 5/16", Fabricated with Heavy-Duty Steel Sand Blasted and Coated with a Durable Silver-Vein Powder Coat, Made in the USA, Designed for 1.5" or smaller lunette rings. Limited Lifetime Warranty.
