LOT 685 - Brand New, Super Cool, Colorful Outdoor Tent Swing for Kids. This tent features a large 40" platform & 250 lb. capacity.

Description

It's a tent, it's a fort, it's an outdoor swinging hideaway! Adding a fun new twist to the treehouse, the M & M Outdoor Tent Swing features a resilient outdoor mesh and Textilene platform swing. Two mesh portholes add ventilation. With the tent on the swing, kids can create an imaginative play space that can be a secret outdoor nook for one or a backyard fort that's the center of activities for others. Take off the tent and you have a swing, plus two great ways to swing—in a traditional back-and-forth motion or in a merry-go-round style. This tent swing features a highly supportive and durable Textilene mat platform that's strong enough to hold multiple riders, ages 5 and up. The dense foam-covered steel tube construction safely supports up to 250 lbs. A great gift for any occasion, the tent swing includes hanging ropes with O-rings and a carabiner that allows the swing to be hung in a variety of settings.
