LOT 268 - Brand New WOW Sports Giant 25'x6' Super Lawn Slide with Sprinkler & 2 Mega Sleds for a Smooth Ride.

Description

Looking for something special to keep the kids outdoors this summer? The Wow Super Lawn Slide is it. This is a 25-foot by 6-foot backyard water slide that connects easily to your backyard water hose. Made from extra-thick heavy-duty PVC this is twice as thick as most lawn slides & the PVC keeps it super slick. The zig-zag spray pattern sprinkler system runs the length of the slide for awesome water coverage & the 8" side-wall pontoons keep the sliders and the water on the slide. This comes with two Mega sleds to soften the impact on the ground when sliding. Easy setup.
