This water park can host up to nine kids & is the ultimate backyard accessory. The blower is included & this inflates in minutes..

Description

A huge inflatable pool surrounded by three slides, the H2OGO!® Triple Splash™ Mega Water Park is the ultimate backyard accessory. This water park can host up to nine kids for a splash-filled day outdoors. Friends can race up the triple climbing wall, which features individual padded handles and footholds for safety. At the mesh tower peak, three different slides offer three fun ways to splash down, each with a unique adventure. Slide one is equipped with a water sprayer for showers of fun, slide two features a spontaneous dump bucket and slide three has a wall of water to venture through. Kids can take turns trying each slide as they race to the bottom for a huge splash in the pool for triple the summer fun.
