

**Sale Name:** Windsor Estate & More Online Auction

**LOT 959 - Brand New Westinghouse 2000 Lumen Solar Security Light W/ Motion Sensor.**

### Description

Brand new Westinghouse 2000-lumen solar, motion-activated triple-head security light. When motion is detected, the solar-powered light automatically illuminates to 2000 bright lumens. There is no wiring so it is easy to install and requires zero maintenance. The solar panel charges in the sun or shade so you don't need to worry about seasonal changes in the light. Detection distance up to 40 ft.

**Quantity:** 1
