LOT 364 - Hilman 3 Point Load Moving Tri-Glide Kit W/ 40 Ton Capacity & Poly Wheels. Both for one money.

Description

Hilman Tri-Glide 3 Point Load Moving Kit W/ 40 Ton Combined Capacity & Poly Wheels.

The Hilman Tri-Glide provides a stable, efficient solution for moving heavy loads over finished floors. It is designed with a large footprint to spread the weight of the load over a greater area. Our Polyurethane and Nylon rollers are non-marking and can be used on a variety of floor surfaces. The Tri-Glide low-profile keeps the load close to the ground for safe moving.
