Description

Sealed crate of 7? brand new RU TIS 200 J17254 10962331 Transformers. 1-PH, 60HZ, Isolation, Input: 480V (H1-H2), Output: 120V (X1-X2), 3 KVA. We opened one crate of these for the photos. That crate contained seven of these. To make it easier for transport, we do not want open all the crates. We are going to cut a hole in the lids to determine the correct count of transformers in each crate, this could vary from 5-10 transformers but is most likely 6 or 7. You will be charged for the correct number of transformers you purchase. 7 times the money. Total bid price is bid price times quantity.
