

Sale Name: Massive Pre-Holiday Online Auction #1

LOT 498 - New Oxygenics "Arc" 2-Head Rainfall Shower Head with 80-Total Spray Combinations to Enhance Your Shower Experience.

Description

The Oxygenics Arc – a combination shower head so advanced you'd almost think NASA invented it for a spacewalk. With an extra-long 72" metal hose and a phenomenal 10" of total spray coverage, this dynamic combo provides you the capacity to reach every corner of the galaxy. Now add 80 powerful spray combinations, and you have the

perfect setting in your utility belt for whatever the universe throws at you. You're saving money too, up to \$125+ per year in water and energy costs. So, embrace the future and let the Arc combo give you a shower that is out of this world.

Quantity: 1
