Description

Watch the video. Brand New QuickTec Model: QTPS001 Rapid Access Safe W/ Foam Lining & Electronic Lock. 5" high at the front, 9" wide & 12" deep.

Ensure the safe storage of your firearms & other valuables with this small electronic safe. Designed for those who prioritize safety, it offers a reliable locking mechanism with a patented system that makes it virtually impossible to pry open with hand tools. The electronic keypad allows you to set a programmable 3-8 digit combination for fast access, while the key lock provides an analog backup option with 2 emergency keys.

Crafted from durable steel with a black anti-scratch orange-peel finish, this pistol cabinet is both sturdy and stylish, blending seamlessly with any interior decor. The interior is carpeted to protect your valuables from dings and dents.
